929 Trianon Dr, Fairbanks AK 99712

Dear Valued Community Business Owner:

We are the North Stars Baseball Club travel program. Our program is dedicated to developing and celebrating youth athletes into contributing community members through the game of baseball. By rooting our program in core values such as accountability, trustworthiness, and steadfastness - we help our athletes build exceptional skills and learn life lessons on their way to becoming quality baseball players.

As a Non Profit 501(c)(3) organization, North Stars Baseball Club relies on registration fees from parents of the players invited to be a part of the organization to fund the activities of the organization. In addition to parent contributions, our organization works with different donors and sponsors like you to help in aiding the costs incurred for such a travel program.

We are based right here in your hometown of Fairbanks, Alaska. As a travel program, we participate in showcases and tournaments throughout the state of Alaska as well as out of state competition when the opportunity arises. To help make each of the athlete's experience with travel baseball enjoyable, affordable, and available - we are asking for your help as a valued business owner in our community.

Our baseball program exists to create an atmosphere for kids to enjoy the game of baseball, create self-confidence, and develop their skills in a wholesome surrounding. By contributing to our program, you are providing an opportunity to positively affect the lives of youth athletes in the community we all call home. As a sponsoring business, you are welcome to provide the organization business cards, coupons, or any other information regarding your business as a recognized supporter of North Stars Baseball. Your logo will also be advertised on banners and marketing promotions that are hung at each game in support of the athletes. Your donation is greatly appreciated and will play a vital role in communicating your strong support of athletes in our community and is tax deductible.

Please return this portion with your donation
